

#### REMARKS

This supplemental amendment is submitted to clarify the Markush language of claim 8 and to correct a minor typographical error in claim 13. In particular, the language of the Markush group of claim 8 was amended to clarify that the claimed hair care composition comprises a synergistic mixture of three anti-free-radical agents, wherein each of these three anti-free-radical agents is selected from a different member of the agents listed under (a) to (g).

All claim amendments presented in this case have been made to clarify the language of the claims and should not be construed as limiting the scope of the originally presented claims.
